**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

After years of being used and abused by AT&T, I decided to switch to a smaller ISP. I think competition is a good thing, by switching, I got better customer service at a lower price.

As a home based small business user, broadband is critical to the work I do. I hope you do the RIGHT thing for the millions of customers like myself. Older and on a fixed income.

Please and thank you!
